the small Indian reservations in the A POLITICAL TURNCOAT, strip these townsites will be goldbled up and appropriated long before the people can get to them who start from A DEMOGRAT FOR REVENUE the southern or northern strips of 100 feet neutral grounds. This question ought to be definitely settled before the opening so that all may have equal chances and exact justice be done to all. If parties can or cannot 50 start from these luner reservations the fact ought to be given authoritative publication that all may stand upon square footing.

### STRIP APPOINTMENTS

It seems that several reports have gone out to the effect that Government Renfrow has appointed county officers for the Cherokee strip. He has done . 2:30 p. m. for the therefore strip the has not appointed or commissioned any courty officer in the strip. He has only examined some of the papers on file, and written to some of the applicants makplaces. Upon his return, which will be about the 10th, he will no doubt decile fully upon his appointments of sheriff, probate judge and county at torney, since he finds that at least this many and perhaps an entire set of county officers will be necessary to preserve order and transact the necessary business on the opening.

since without them there would be no place for the other officers to file their

Is the Best and Cheapest Paint on the Market.

What is it that gives any Paint Durability, Beauty of Finish and Preservative Quality?

PURE LINSEED OIL--ONLV.

The following editorial from Tompie's effort of March 50, 1892, well ilinstructes his record as a democrat and
shows conclusively his claims for patronage at the hands of the party.

VOTE STRAIGHT.

To every gallon of Hammer Pure Prepared Paint must be added one gallon
of Pure Raw Linesed Oil to reduce ready for Painting.
When you add a gallon of pure, fresh Linesed Oil to a gallon of Paint, you
know that you will have a ready-mixed Paint, made from pure Linesed Oil,
and not one made from Liquid Adulterants. This necessary addition of raw
Linesed Oil places the durability of your Paint under your own control, and,
if pure Oil is used, the durability is assured.
